Eastman

Founded 1859
as
EASTMAN
NATIONAL
BUSINESS
COLLEGE

Eastman is preparing thousands of ambitious workers in all parts of the world for higher positions and better pay. If we could make young people realize the great advantage of the course of training we give, there would be fewer failures in business and in life. We make business men and business women, and obtain for them positions in which they succeed. Thousands of our former students will tell you so, and that it pays to attend a school whose primary object is to enable its students to make their own way in the world.

We do not make a merchant out of a musician, nor an acrobat out of an accountant; but we do stimulate ambition, arouse energy, and develop capabilities in all our students. We find the true metal —if there is any in the man—and provide the course of study which will fit him for success.

Our methods are straightforward. Whether we deal with you personally or by mail, you will find our instructions plain, easily comprehended, and readily learned. If you master the work we give, you will have the confidence and gain the independence which good qualifications alone can bestow. More than this, we can obtain employment for you as soon as you are thoroughly prepared for work—an advantage offered by very few schools.

Write for our catalogue—now, while you are thinking of it; it will show you how to get the right start toward your true place; to begin "the strenuous life" which leads to better achievements.

We never fail to obtain employment for the graduates of our Complete Commercial Course.
